

Western Kansas Oil & Gas Roundtable Discussion

KIOGA President, Edward Cross and KIOGA Chairman, Ken White will be in attendance to discuss state and federal issues concerning the Oil and Gas Industry.

The informal roundtable discussion will begin with a brief update on developments in Washington and Topeka. More importantly, attendees will be given the opportunity to share concerns and thoughts about state and federal policies that affect them and their businesses. In addition, what they believe is important for the growth and protection of our industry.

After the roundtable discussion there will be a tour of the Kansas Oil & Gas Museum.
