

# Schedule of Events

## Wednesday, April 19th

### 6:00 p.m. - 8:00 p.m. **Cocktail Party | Parrot Cove**

Come check out Parrot Cove, the largest water park in southwest Kansas. Enjoy an umbrella drink on the deck and do some networking. Don't forget your beach gear! With 36,000 sq ft of year round entertainment there is plenty to do. Waterslides, splash zone, wading pool, log crossing, plunge area, rock climbing wall and party rooms await the KIOGA group for a private party.

### Shuttle **Boot Hill Casino | Dodge City, KS**

*From Clarion following cocktail party*

## Thursday, April 20th

8:00 a.m. **Registration**

9:00 a.m.-4:00 p.m. **Tradeshow**

9:00 a.m.-10:00 a.m. **“Seismic 101 through 501”**  
*Russ Opfer, Lockhart Geophysical Co.*

Russ will give a detailed overview of seismic exploration techniques starting from the basic 101 class and work through graduate 501 seismic class, covering how seismic works through new advances of seismic exploration methods. Questions encouraged.

9:00 a.m.-11:00 a.m. **“Confined Space Entry”**

*Mike Wohler | DXP*

*Ilene Stridinger | Industrial Scientific*

*Brian Chaffin | PMG*

Ilene, Brian and Mike will discuss confined spaces, the dangers that lurk within, and why it's important to do things SAFE, the first time and every time. Ilene will cover the atmospheric conditions and air quality. Brian will take over with how to prevent multiple casualties and how to rescue from a safe distance.

10:00 a.m.-11:30 a.m. **Tour | Dairy Farmers of**

2:00 p.m.-3:30 p.m. **America, Milk Processing Plant**

*Shuttle from Clarion*

Guests will take a tour of the newly built \$235 million, 321,000 square foot, milk processing plant. The facility will include the production of cream, whole milk powder, skim milk powder, and non-fat dry milk. Estimated to be completed in May 2017, the plant will create at least 55 new jobs for the Garden City community.

11:30 a.m.-1:30 p.m. **Lunch | Samy's**  
*Clarion Inn Pool*

1:30 p.m.-2:45 p.m. **KCC Regulatory Update**

*Ryan Hoffman | KCC*

This session will cover new developments pertaining to the Abandoned Well Regulation Roundtable and other potential regulatory changes related to the Conservation Division. Also, Ryan will provide an update on amendments to KOLAR and other filing requirements.

3:00 p.m.-3:45 p.m. **Electric Committee**

*Adam Beren | Berexco, LLC*

Committee member update
